P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is responsive to the Office Action dated April 11, 2003. A Petition for Extension of Time by two (2) months, from July 11, 2003 to September 11, 2003, is enclosed.

Examiner Interview

Examiner Schaetzle and Theodore D. Fay III, Esq. discussed the anticipation rejections based on Mann et al., Method of Treatment of Dysmenorrhea or Relieving Menstrual Cramps, U.S. Patent 6,282,443 (Aug. 28, 2001). The effect of having common inventors between that patent and the current application was discussed. No agreement was reached.
